Course			Start Date		
Name			**End Date**		
SR	**Topic**		**Duration Hours**	**Date and Sign**	**Assgiment1**
1	English and Programming Language Compare		2		Assgiment2
2	introduction and installation browser(alert,prompt,write) console.log()		4		Assgiment3
3	Data Types primitive		4		Assgiment4
4	non-primitive		4		Assgiment5
5	implicit and explicity conversion		2		Assgiment6
6	Variables Scopes(let,var,const) global,local,block		2		Assgiment7
7	Operator Unary,Increment Decrement		2		Assgiment8
8	Binary ,Arithmatic, Assigment		2		Assgiment9
9	Relational , Logical, Ternary		2		Assgiment10
10	Statement Branching ,i.IF , i.IF ELSE		2		Assgiment11
11	iii.ELSE IF LADDER		2		Assgiment12
12	IV.SWITCH CASE		2		Assgiment13
13	Looping I.FOR		2		Assgiment14
14	II.WHILE LOOP III.FOR EACH		2		Assgiment15
15	IV.INCHANCE LOOP V.DO WHILE LOOP		2		Assgiment16
16	vi.Nested loop		2		Assgiment17
17	Function i.name and un-named ii.simple funciton		2		Assgiment18
18	iii.parametrized function iv.return function		2		Assgiment19
19	v.recursive function vi.Arrow Function		2		Assgiment20
20	ARRAY		2		Assgiment21
21	logical prgramming using string		2		Assgiment22
22	logical programing using array		2		Assgiment23
23	logical programming using pattern		2		Assgiment24
24	logical programming using problems		2		Assgiment25
